

National Juvenile Justice Conference

from the National Council of Juvenile and Family Court

March 13-16, 2022

The [National Council of Juvenile and Family Court Judges](#) (NCJFCJ) continues to be committed to providing high-quality education while putting the health, safety, and well-being of the juvenile and family court professionals we serve first.

The NCJFCJ has made the decision to have an in-person **2022 National Conference on Juvenile Justice**.

The NCJFCJ is also excited to reveal the theme for this year's national conferences: **Celebration Tour**.

For 84 years, the NCJFCJ has led systems to change through the values of *Compassion, Leadership, Education,* and *Community* through our network of more than 30,000 juvenile and family court professionals who share in the mission of this organization. For this hopeful new year, continuing to make connections with intentions is more important than ever to fully serve ourselves through self-care while serving the children, families, and survivors of violence we represent.

Plenary sessions highlighted by topic-specific training tracks on family law, juvenile justice, child welfare, and family violence; as well as sessions highlighting innovative solutions and self-care are just the beginning of the educational offerings of the 2022 National Conference on Juvenile Justice.
