Dear colleague,

This communication is to bring to your attention the possibility to publish your latest researches in the

Book Series *International and Comparative Criminology*,
published by Springer (Springer Manager: Anna Goodlett (in cc); Associate Editors: Benoit Leclerc and Sheldon Zhang (in cc)).

International and Comparative Criminology presents concise summaries of cutting edge research across the fields of Criminology and Criminal Justice.

It publishes small but impactful volumes of between 50-125 pages, with a clearly defined focus.

As such, the series is particularly suited for publishing manuscript, whose degree of depth exceed the one of scientific papers.

At the same time, the series is ideal for publishing PhD thesis.

Further details on the series are available at: <https://www.springer.com/series/11921>; while the book proposal form is here: https://media.springer.com/full/springer-instructions-for-authors-assets/pdf/SN_BPF_EN.pdf

As Editor of the series- I would be delighted to discuss book proposals by you, your colleagues, or your students.

Best regards,
