

Position Announcements

Kerner-Collection July 2023

+++++

Ladies and Gentlemen.

I am offering a **job vacancy for a project assistant** (no need for PhD degree).

University of Dundee

This is part of a project I am developing in partnership with Apex Scotland on development of trauma informed practices within criminal justice services.

I would appreciate if you can help disseminate the link. It is 0.4 FTE for 2 years (fixed term). It can be a great opportunity for someone looking for a part-time job at university, but with a strong emphasis on community based research.
