Deep Dive: Exploring Organized Crime

Twice shortlisted for 'Best Investigative Podcast' at the Publishers Podcast Awards.

The Global Initiative Against Transnational Organized Crime brings you stories and investigations from the global criminal underworld.

The topics covered by Deep Dive are far ranging, one episode could focus on a paramilitary-organized criminal cartel hybrid; the next could be the dismantling of an encrypted communications network; or the role of organized crime in the recycling industry.

This podcast series demonstrates the wide ranging investigations and research carried out by the GI-TOC.
