Nordic Perspectives on Labour Exploitation: Intersections of Work-Related Crime and Work-Environment Risks (HEUNI Report Series No. 111, 2025)

By Natalia Ollus et al.

This report, prepared with the Nordic Council of Ministers, examines how labour market crime and work environment risks intersect, and offers practical recommendations for authorities and practitioners.

<https://heuni.fi/-/heuni-report-series-111.-nordic-perspectives-on-labour-exploitation>.

As a companion, we have also developed a **fact sheet and checklist** for labour inspectors and other actors to identify occupational safety and health breaches linked

to labour exploitation (available in 6 Nordic languages): <https://heuni.fi/-/integrate-checklist>

+++++

Between Victimhood and Offending: A Nordic Scoping Study on the Links Between Youth Criminal Exploitation and Trafficking (HEUNI Report Series No. 112, 2026) *By Anniina Jokinen et al.* This study explores the links between youth recruitment into organised crime, criminal exploitation and trafficking, and discusses how these phenomena are currently addressed in the Nordic context.

<https://heuni.fi/-/112-nordic-youth-criminal-exploitation-and-trafficking>

+++++

From Aspiration to Exploitation: Recruitment and Employment-Related Risks Faced by International Students (HEUNI Report Series No. 113, 2026) *By Anna-Greta Pekkarinen et al.*

This scoping review maps risks faced by international students before, during and after their studies, with a particular focus on Finland and its evolving policy landscape.
